

Blue Devil Concessions at Brooks Field at Wallace Wade Stadium

In our book, the Duke fans are number one and we're here to serve. We supply food and drinks to the fans attending Duke athletic events. Local church and civic organizations volunteer to staff the concession stands and benefit by receiving a percentage of the sales. They provide prompt, courteous service and promote a positive Duke image. We also have many local and national vendors serving food and drinks in the stadium. Here is a helpful guide:
