

Duke University Small Circuit Lot – RV/OV/Bus Layout Map

- Small Circuit Lot Map Notes**
- Please note that drawings are not to scale and are intended for layout purposes only.
 - RV/OV/Buses will be parked in order of arrival to maximize space in the lot – 1 being first vehicle and 47 being last vehicle.
 - Arrows show ingress route to spot and parking direction.
 - Each space is a maximum of 18' x 54'. Tow vehicles are permitted but must fit within the designated space.
