

Donation Requests

Duke University Athletics receives several hundred requests for memorabilia, merchandise, and autographs from organizations each year. We wish it were possible to honor all of them, since most are very worthwhile causes. Please know that all requests are given serious consideration. Due to the high volume of requests we receive, however, the following guidelines must be followed to assure fairness.

Request Eligibility

Duke University Athletics focuses its efforts on assisting organizations that benefit youth activities, disadvantaged youth, children's medical related causes, and educational programs for youth.

We are unable to donate complimentary tickets for all Duke University athletics events. Tickets may be requested for Football and Women's Basketball; however, if tickets are available, the requesting charitable organization must purchase them at face value. Upon receipt of such requests, Duke University Athletics will contact the appropriate individual to finalize details of the ticket purchase. Memorabilia is limited to **ONE** request per organization during the Duke Athletics fiscal year (July 1st through June 30th).

Requests related to the following are ineligible to receive donations:

- Requests that would benefit students in grades 9-12, preparatory school, or junior college are not permitted due to NCAA regulations.
- Proceeds or actual item may NOT be provided to a high school, preparatory school or 2-year college for any reason. This includes any elementary and middle schools that are financially tied and/or associated with a high school.
- Requests for operating expenses and other monetary donations.
- Individuals or individual pursuits, fraternal, veteran, labor or political groups.
- Business award and incentive programs (for profit).

Application Process

We require a formal donation request submitted in writing on organizational letterhead including the nature of the event, 501 (c)3 status, date of the event and how the item will be used (i.e. silent auction, raffle, etc.). The Duke University Athletics Donation Request Form must also be completed in its entirety. All donation requests must follow the guidelines listed below:

- Request must be submitted at least four weeks prior to the date for which the donation is needed, no exceptions.
- Request must be received by mail, fax, or email. Please refrain from both faxing and emailing your request.
- Once approval has been granted for requests of autographed equipment, requestor will be contacted to provide the item to be autographed (baseball, soccer ball, etc.). Requestor will also be responsible for any return postage charges associated with shipping pieces of equipment.
- Due to the high volume of requests we receive, we are unable to provide status reports for submitted donation requests.
- All requests should be submitted via email to donation@duaa.duke.edu or fax to 919-668-1765.

Processing Your Request

Donations are mailed at least 2 weeks before the item is needed for the event. Considerations for donations include: type of event, non-profit status, projected proceeds raised, past donations, beneficiary (i.e. children's medical related causes, youth activities, and educational initiatives).

All decisions made by the Duke University Athletics Association are final.
