Head Coach: Bill Hempen (3rd year)

Assistant Coach: Scott Proeschold (2nd year)

DUKE SOCCER STADIUM

When people think of top soccer facilities in the country, they immediately turn their attention to the Duke Soccer Stadium. The highly-regarded complex is the home of the women's soccer program since its birth in 1988.

The Bermuda grass playing surface is 75 by 120 yards with an underground irrigation system that keeps it in top condition year round. The facility can seat 6,500 fans with aluminum bleachers flanking both sides.

Lights were added in 1984 and have afforded the Blue Devils much flexibility in scheduling. The facility is ideally located on Duke's West Campus in the heart of the university's athletic complex.

Duke has hosted the 1987, 1989, and 1990 ACC men's soccer championships as well as numerous NCAA Tournament contests. In addition, the ACC women's championship was held at Duke in 1989.
